

# This Is Me Activity Packet

Welcome to the 'This Is Me' Activity Packet!

These activity sheets are inspired by the book *All Are Welcome*. They are designed to help children celebrate who they are, while also learning about the beauty of differences and the strength of community. By completing these pages, students, families, and homeschoolers will reflect on their identities, traditions, and what makes them unique.

You will find three versions:

- **Student Page** - for classrooms to build a Welcome Wall.
- **Family Page** - for families to complete together and share with school.
- **Homeschool Page** - for families learning together at home.

These activities encourage self-expression, creativity, and connection. Use them to spark conversations, decorate your learning spaces, or simply as keepsakes to treasure.

**Remember:** There is no right or wrong way to fill these out—just be yourself and have fun!

# **This Is Me – Student Page**

My Name:

(Write your name big and bold here.)

This Is Me:

(Draw a picture of yourself here.)

My Favorite Things:

(Draw or write about your favorite colors, foods, animals, or hobbies.)

My Family:
